TECHNICAL SUPPORT BRANCH

NAVIGATION BULLETIN NO. 18-80

NOTICE TO NAVIGATION INTERESTS:

**COFFEEVILLE, DEMOPOLIS, AND SELDEN LOCKS**  
**BLACK WARRIOR AND TOMBIGBEE WATERWAY, ALABAMA**

Due to high water conditions, there is significant outdraft to the spillways at **Coffeeville, Demopolis, and Selden Locks**.

At Demopolis Lock, navigation lockage is temporarily limited to daylight hours only due to flood waters and associated debris in the upper lock gate machinery recesses. The duration of this restriction depends on conditions, but it is expected to remain at least through 3 January.

All traffic should keep in contact with the lock and exercise extreme caution during this time.

For additional information, contact **Mr. Anthony Perkins** at the **BWT/Alabama-Coosa Project Management Office (CESAM-OP-BA)** at (205) 752-3571.
